Sir,

I have the honor to state that the collection of Special Sanitary Cess from certain Government Departments is being attended to by the agency of the Health Office As there were heavy arrears left uncollected, I sent in several reminders to the Health Officer to pay his personal attention regarding collection & no amount was collected inspite of reminders, I sent in urgent reminders from my Office to the personal addresses of the Officers of the departments concerned From the replies received from the Chief Electrical Engineer and as a result of the Local Auditor's enquiry under instructions, it is ascertained that on 9th August 1928, a cheque for Rs 300/- was drawn on the Health Officer by the Electric Department in payment of the Special Conservancy Cess dues and B Venkatanarasiah, Head Clerk of the Health Office received the cover containing the cheque on 10th August 1928 Instead of endorsing it to the Municipal Account, but got the cheque cashed on 2nd August 1928 on an endorsement as follows -- 'Contents received, Please pay to B Venkatanarasiah' The endorsement is in the handwriting of B Venkatanarasiah Head Clerk of the Health Office and it appears by the Health Officer On 4th September 1928, B Venkatanarasiah credited only Rs 141/- to the municipal account So far as could be made out from the trial balance Cash book, the balance of Rs 159/- in favour of the

As 2576

In continuation of this office letter No C 1-555 -- dated 1st May 1929, reporting certain defalcations made by B Venkatanarasiah, Head Clerk, Health Office, I have the honor to state that the nature of defalcation as far as

1 Special Sanitary Cess amount 2 Imprest amount 3 Salaries 4 Sale amount of windows supplied by the Senior Surgeon	can be made out may be classed as detailed in the margin

2 It is not possible to state at this stage, the exact amount of defalcation made A thorough and a detailed audit is being conducted by a Special auditor appointed for the purpose as per suggestion of the Comptroller and approved by the Council The exact amount misappropriated together with a detailed report on the subject will be submitted after the audit of accounts is closed

3 As the Head Clerk who is responsible for the misappropriation has absconded, I ordered a thorough search being made of the table and boxes that were in his charge The Office Manager in presence of the Health Officer broke open the boxes and a search was made As a result of the search conducted, 130 covers, received from post to the addresses of the Municipal Commissioner, President and other Officers of the Municipality were found so far, some of --

which

17

which were opened and some un-opened, but none of them submitted to the respective Officers How these covers went into his hand is under investigation The covers that were found chiefly relate to the following ---

1 Letters and reminders of the Insurance Office'

2 Notices and attachment orders from Civil Courts

3 Reminders from Government and other Departments

4 D Os addressed to the personal name of the President, Commissioner and Health Officer

All these covers have now been opened and are being attended to Many of the references have already been disposed of on subsequent reminders received from the Departments concerned In addition to these, he had several signed bills regarding conservancy charges without sending them to the respective institutions and parties for collections and also he had a number of prosecutions sanctioned by the President and Commissioner instead of sending them for prosecution The Health Officer is looking into the disposal of these papers

4 Any furtner irregularities brought to light will be reported

I have the honour to be,
